

SUPER MASTERS

**SUPER-REALISTIC COURSE AND PLAY!
MAKE ONE BIRDIE AFTER ANOTHER
AND TAKE THE LEAD!!**

GAME FEATURES

It utilizes the SEGA "SYSTEM 24" Mother Board to provide you with the finest in HORIZONTAL RESOLUTION and nonconventional ultra-authentic graphics, a combination that allows you to enjoy the maximum in tournament golf play.

A 3-D technique is adopted, whereby the background moves horizontally in a manner which matches the direction of the shot. This feature permits you to view the overall hole, a point that is certain to please even the most sophisticated golfing fan.

Since the green on each hole varies, i.e., uneven surfaces, up and down inclines, etc., plus the fact that the cup position changes every time you play it, the golfer is treated to host of never ending challenges.

A special designed CONTROL PANEL allows for 1P and 2P competition.

This extremely popular and high earning tournament golf game is sure to contribute to increased sales for your location.

HOW-TO-PLAY

- ★ Choose the desired wood or iron by pushing the CLUB SELECTION button, the direction by using the DIRECTION BUTTONS, and the player's position by pressing the STANCE SELECTION button.
- ★ After adjusting the power and tuning to fit the shot, hit the ball by pulling the club-shaped lever.
- ★ You receive 1 hole per credit. Shooting under par gives you an extra hole.
